

## What is a Delegate?

A DELEGATE is a person delegated the responsibility of turning in surveys for a member.

Each member can have ONE delegate per survey type. Memberships with multiple growers should continue to utilize the paper surveys in order to split the surveys into fields per grower.

## Why are there two ways to log in to the Portal?

Logging in as a MEMBER gives you full access to all information for one membership.

Logging in as a DELEGATE allows you to view information for multiple memberships on one screen. Members grant Delegates permission to access all or some of their information.
